

Hello Coaches & Mentors,

The INTO ORBIT 🚀 season will launch with the opening of the registration system on **May 11th**. Please use this [link](#) to register your team. The registration fee will be \$299 and this includes the cost of the Challenge Set. Please note that you'll no longer be able to register a team and not purchase the challenge set; they are now bundled.

**The Challenge will be released on [August 1, 2018](#).** This is almost 4 weeks earlier than past years and should provide most teams additional time to complete the research and programming.

### **Workshops**

The new workshop schedule has been posted on our [website](#). There are two FLL Introduction for Coaches (June 30 & July 21) and two Advanced EV3 Programming (July 1 & July 22).

### **Challenge Release Workshop**

I plan to host two Challenge Release workshops on August 18th. This workshop is open to coaches and students. Once the site is secured, details and a registration form will be available at <http://www.la-fll.org/workshops.html>. Stay tuned!

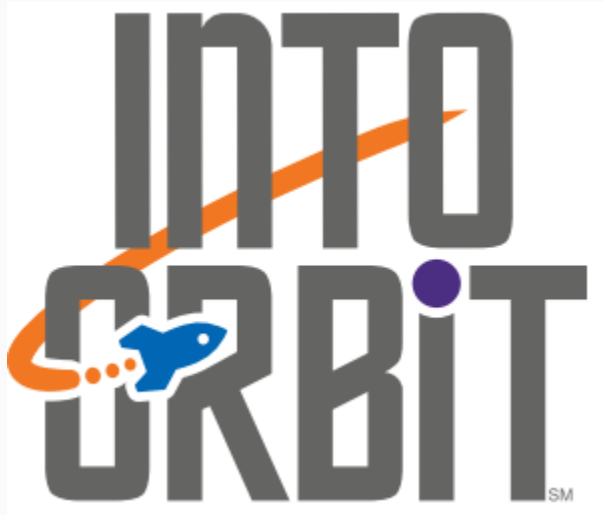

### **Tournaments:**

Practice Tournaments: we will be holding several practice tournament in late October. These tournament are an opportunity for teams to practice their project presentation and robot and help them prepare for their qualifying tournaments.

Qualifying Tournament: So far we have secured 18 sites for Qualifying tournaments. Thank you to all schools who responded with interest in hosting tournaments. Registration for qualifying tournaments will open in early to mid

September.
