

Hello Coaches & Mentors,

The INTO ORBIT  [registration system](#) is open and so far 13 teams have registered. The process is simplified after the implementation of the one-step process of registering and ordering the Challenge Set. You will need to provide a Shipping Address for the Challenge Set.

Our website now includes the [list of teams](#) that registered with *FIRST*. Please note the "YPP" column which should have a check mark ✓ indicating that the coach and assistant coach have completed the Youth Protection Program questionnaire. Be sure to check the status of your team and complete them.

Teams that registered with *FIRST* are now allowed to sign up for the **Challenge Release Workshop** using this [link](#).

Coaches Workshops

The new coaches workshop schedule has been posted on our [website](#). There are two FLL Introduction for Coaches (June 30 & July 21) and two Advanced EV3 Programming (July 1 & July 22).

Practice Tournaments: we will be holding several practice tournament in late October. So far 4 tournaments were added. These tournaments are an opportunity for teams to practice their project presentation, receive feedback and also practice their robot to prepare for qualifying tournaments. See the list [here](#) and scroll down the page for the list of practice tournaments.

Qualifying Tournament: So far we have secured 18 sites for Qualifying tournaments. Registration for qualifying tournaments will open on September 4th.
